DR. AAZIB KHAN FOR A FREE COMMUNITY TALK ON AFIB & STROKE PREVENTION

DR. AAZIB KHAN
INTERVENTIONAL CARDIOLOGIST

Atrial fibrillation (AFib) raises stroke risk fivefold. Join Dr. Aazib Khan, Interventional Cardiologist at Shasta Regional Medical Center, for a free talk on AFib risks and the Watchman — a proven, medication-free alternative to blood thinners.

THURSDAY, SEPTEMBER 24TH

12:00PM - 1:00PM

SHASTA REGIONAL MEDICAL CENTER, LIBERTY ROOM 2

Light lunch refreshments will be served

This is a FREE educational, community event.
Seating is very limited.
Please RSVP to Lynnann Foster | Marketing & Communications Director at LFoster5@primehealthcare.com
